

SAT[®] & ACT[®] TEST PREP SUMMER PROGRAM

It's time to start preparing for those college entrance exams!

SAT[®] PREP (3 WEEK PROGRAM)

June 10th - June 28th or July 1st - July 19th, 2024

10:30am - 12:30pm (Two 1-hour classes)

Price: \$380

Chosen by most 'Iolani students, preferring this digital exam as they have been exposed to the formatting and questions with our school's annual PSATs.

SAT[®] & ACT[®] PREP (6 WEEK PROGRAM)

June 10th - July 19th, 2024

8am - 10am (Two 1-hour classes)

Price: \$655

For students preparing for both exams or for those unsure which assessment suits them best.

WHY 'IOLANI TEST PREP?

- University admissions are still accepting SAT[®] & ACT[®] scores as predictors of college readiness, and high scores allow students to demonstrate their aptitude beyond their GPA or transcript.
- We are the longest running college entrance test prep program in Hawai'i, since 1986.
- Over 85% of 'Iolani's juniors take this summer course and more than 400 National Merit Scholars are alumni/ae.
- Over 200 students from the DOE and other private schools enrolled in last summer's online course.
- Our coaches are from our award winning 'Iolani faculty and are updated with new testing trends, test taking skills, and up-to-date resources.
- Our program utilizes multiple assessments, as well as targeted topics, skills, and strategies that are going to increase your individual scores the fastest on the new digital versions of these exams. Both courses include an introductory college counseling session and a review webinar in September before exam season.

HOW TO REGISTER:

- **Registration begins April 2nd** (for non-'Iolani families) and **ends May 10th**. All summer program information including online registration, the 2024 Summer Course Catalogue, and payment instructions can be found at www.iolani.org/summer.
- Open to all students entering 10th - 12th grade. Students must have a smart device to participate (personal laptop, iPad, or school-monitored Chromebook will work; personal Chromebooks and phones will not). All classes take place on 'Iolani campus.
- Scholarships are available for DOE students only. Speak to your respective high school's counseling department for more information.

Questions? Contact 'Iolani Summer Programs Office at spo@iolani.org or 808-943-2262, or email 'Iolani's Director of Test Prep Programs Jeff Andrews at jandrews@iolani.org.
