

Huggo & Shirley von Platen Luder Scholarship program

About the scholarship

In 1969, Huggo & Shirley opened Huggo's on the Kailua-Kona shoreline. Since then, their son Eric and his partner, Scott Dodd, have expanded our kama'aina-owned and managed businesses. It is our desire to malama the communities and staff that support us. As a result, we will be awarding 6 annual scholarships & 6 chromebook laptops this year to help pass on the Aloha.
